

Dear Parent or Guardian of a 9<sup>th</sup> grade FACS student

During the remainder of this quarter, your student will be involved in a unit on “Service Learning” which will be experienced based learning. The goal is to involve all students in activities which

- \*Promote and demonstrate good citizenship, community service and personal responsibility
- \*Increase awareness of and attention to community needs
- \*Enhance and increase self-esteem and self-confidence
- \*Increase and enhance academic achievement

Your student will be provided opportunities for service learning during class time at community sites: a Early Childhood Classroom at the Elementary, the Adaptive Ling Program at the High School and Golden Horizons Assistive Living. Other opportunities may come up during the quarter as well. Your student will be given expectations to follow at each site and be a model student. Presenting themselves in a positive image of today’s youth by carrying out the service at each side. If your student does not meet the expectations he/she will be removed from the site and be staying back at school with alternative assignments.

Students will be transported to the sites by school transportation to the Elementary and will walk to Golden Horizons. The site visits will occur 2 days a week.

This is an overview of what is planned and if you have any questions about specifics please call me at 320-629-4156 or email at [sroubinek@isd578.org](mailto:sroubinek@isd578.org)

Sincerely,

Sara Roubinek  
Family and Consumer Sciences Teacher  
Pine City High School
