

Fruit Pizza

Ingredients

sugar cookie recipe

4 oz. cream cheese - half of the 8 oz. pkg.

1 cup whipped topping

Fruit choices -

Strawberries

Bananas

Blackberries

Blueberries

Raspberries

Kiwis

Pineapple

Peaches

Directions

Spread the cookie dough on a pizza pan into a circle. Bake for 8-10 minutes. Until golden brown. While baking create the cream cheese topping. In a medium mixing bowl add the cream cheese and yogurt with an electric hand mixer until light and fluffy. Fold in the whipped topping. Set aside.

Prepare fruit - cut fruit into slices that will make the fruit pizza have good eye appeal.

Let the cookie crust cool 5 minutes before spreading on the topping mixture. Spread on the mixture and then add the fruit layer in an attractive. Eye appealing manner.

Take a picture of the fruit pizza, and then enjoy your creation.
