HOME COOKING ASSIGNMENT

You are to cook a minimum of **ten (10) different things** at home; meaning no repeats. Be honest in your evaluation--if you make a mistake, learn from it! Enjoy!

Remember, signatures are required as you go along, not when you are all finished.

Examples of what you can count for this assignment: a sandwich, scrambled eggs, chocolate chip cookies, pizza, brownies, pudding, steamed veggies and many more items. A bowl of cereal may count for one, but you should step up your cooking from there. Everyone's cooking abilities and food resources are different to do your best with what you have.

Have FUN!!!

Go home and put it up on the fridge so you remember to keep track of your cooking.
