# <Theme for Kitchen>

- <Convenient, Eco-friendly and White>

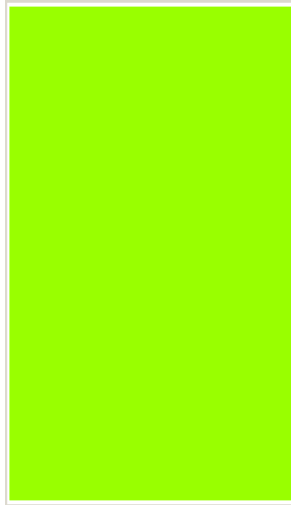

: The most important thing in the kitchen is easy to reach any cooking materials and balance of overall design.

: I've always wanted to have white kitchen because it makes me relax and calm. Also anyone will feel sophisticated and think it is well designed.

# <Overall Statement>

- I think this kitchen will be good for customer who wants white kitchen with more bright atmosphere, and also some comfortable feelings!
- I want to improve more specific details of the furnitures and the color choices which will be different by individuals.
- Another point that I really like for my kitchen is eco-friendly kitchen such as using wooden floor and using fresh colors.

# Thank you! :)
