

Careers  
Article Review #1

It is always good to be in the know about your future!!!!

Objective: To research and article that addresses the idea of nontraditional jobs in the United States.

Essential Question: How do non-traditional jobs affect our current economy?

Assignment:

Research an online article that features one of the topics below.

1. Gender gaps in the workforce
2. Non traditional jobs in the United States
3. Pay equality in jobs held by both genders or any gender
4. Stereotypes in the workplace

**The article needs to be at least 5 paragraphs long and from a credible source and no older than 2016**

When you find your article that is at least 5 paragraphs long and written by a credible source...

1. copy the url address and paste onto the google document you have started
2. Write/type a 2 paragraph summary of the article in your own words.

NO COPY OR PASTE

1st paragraph: a summary of the thesis of the article- the main idea

2nd paragraph: s summary of your thoughts of article- do you agree or disagree with the author. How would the average teen use this information in the article?

3. Share your finalized document to the teacher
4. Will share with the class and add to our discussion
